# Ukraine Goes Digital II

**PHASE A**  
(Jan - Aug 2023)

**PHASE B**  
(Sep 2023)

**PHASE C**  
(Okt - Dec 2023)

**Goal: Design and  
implementation of a joint  
COIL – Project**

**Goal: Evaluative workshop  
in Dresden**

**Goal: Multiplier event &  
dissemination**

# Ukraine Goes Digital II

## **PHASE A** (Jan - Aug 2023)

**Goal: Design and  
implementation of a joint  
COIL – Project**

Digitalization of the DSG "International Economy" at WUNU<sup>[L][SEP]</sup>

Design and implementation of a joint COIL teaching project in the summer semester 2023 between the TU Dresden and the WUNU, involving the colleagues trained in 2022<sup>[L][SEP]</sup>

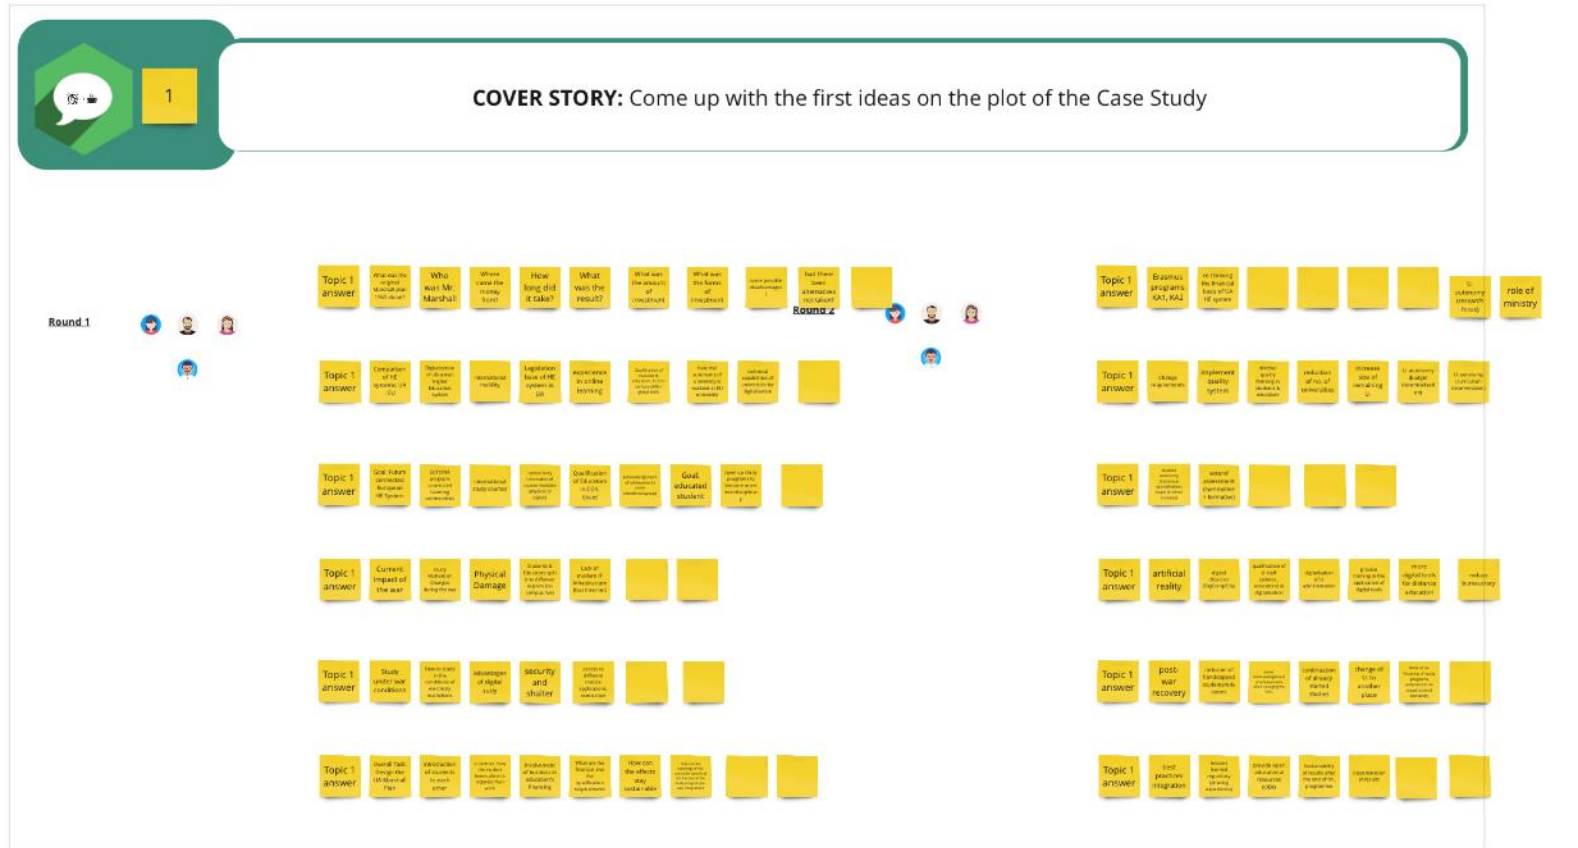

- (1) Joint case study design on the topic "Marshall plan for the restructuring and digitalization of higher education in Ukraine"<sup>[L][SEP]</sup>
- (2) The Ukrainian colleagues are integrated as local tandem partners within the Dresden teams of e-tutors to support the learning process<sup>[L][SEP]</sup>
- (3) Accompanying research (needs analysis, project evaluation) is carried out as part of a research seminar in preparation for the subsequent phases A and B.

# Case Study

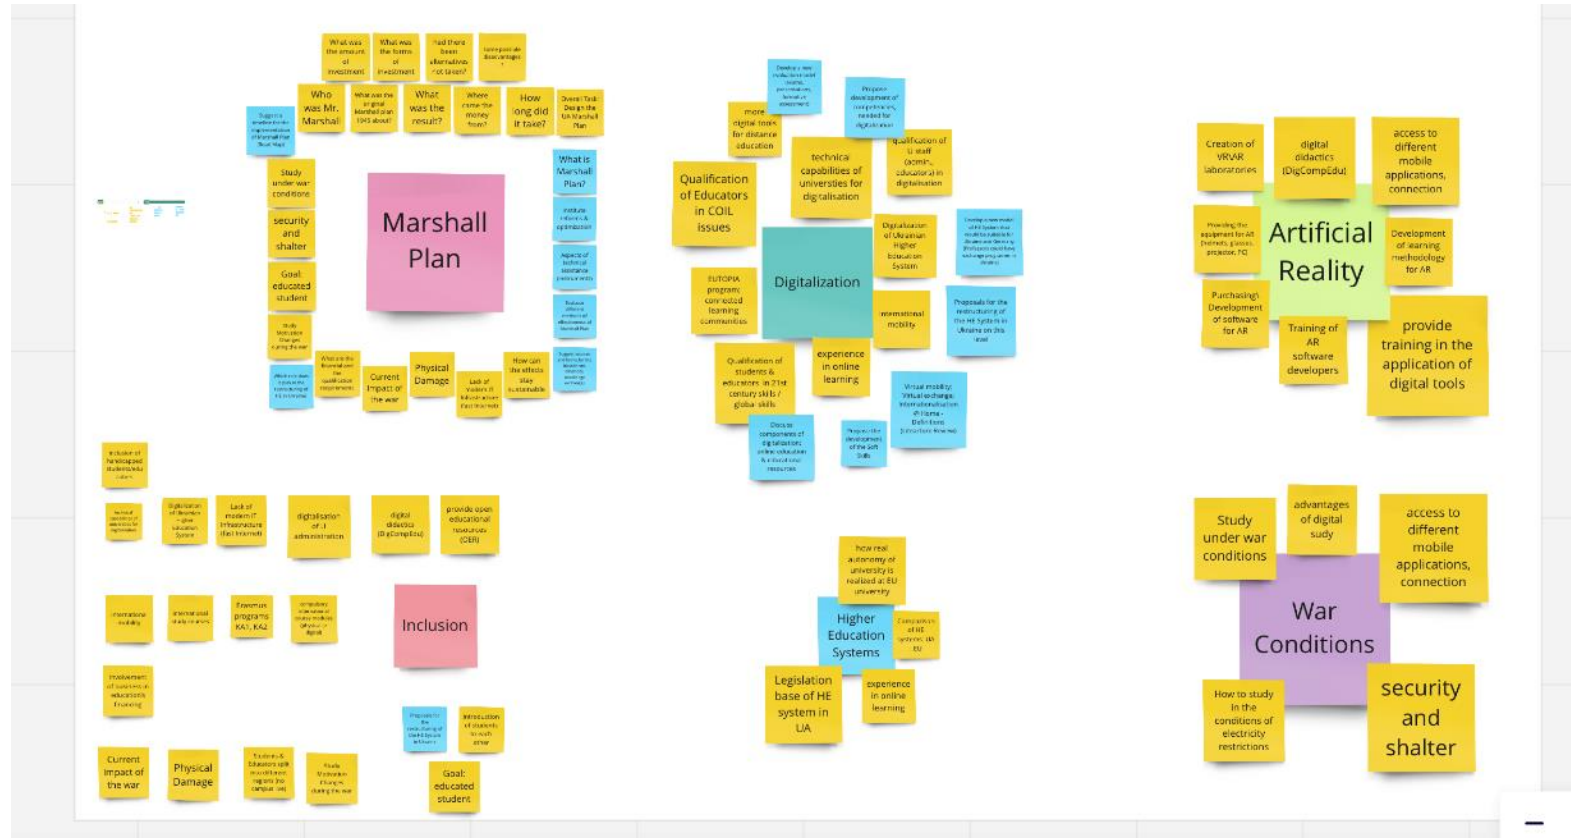

Emerging topics of Inclusion, Artificial Reality, Autonomy of Universities,

Digitalization, Higher Education Systems, Marshall Plan

Table 1

# Case Study

Distribution and consolidation of work packages for future tasks.

# Case Study

Corporate Design that reflects the traditions of Ukraine combined with a new digital approach.

# Ukraine Goes Digital II

## PHASE B (Sep 2023)

**Goal: Evaluative workshop  
in Dresden**

## 11 Monday | TUD TIL 201

---

**Check-In** **13.30 – 14.00**

*Check-In & Signing of the Documents*

**Kick-Off & Welcome** **14.00 – 14.30**

**Workshop 1** **14.30 – 17.30**

*“Overcoming Barriers of VCL settings in Ukrainian Higher Education”*

**Rehearsal of Ukrainian Choir** **18.30 – 20.30**

# Evaluative Workshop | The 5 Dimensions

## 1. Motivational Aspects

- Educator's & Student's Perspective on how to maintain motivation high during the entire VCL

## 2. Technical Aspects

- Tools & Platforms used, Know-How, Accessibility, Usability, ...

## 3. Didactical Aspects

- Assessment methods, Critical Thinking, Adapting Teaching Methods, ...

## 4. Organizational Aspects

- Scalability, resource allocation, recognition of VCLs as a fully-fledged form of teaching...

## 5. Aspects Regarding Students and the Social Side

- Composition of the Groups, Intercultural Communication and Background, ...
