| Introduction

- **“Is the distance revolution working and are we at a ‘transformative moment’?”** (Altbach/de Wit)
- **Challenges:**
 - inequalities (access to the internet, technical equipment,...)
 - lack of experience in remote teaching & learning
 - interaction, sense of community & students’ motivation
- **Opportunities:**
 - better integration of virtual and physical formats (blended learning, blended mobility,...)
 - new strategies & target groups for HE
 - higher quality of online teaching
- From **“Emergency Remote Teaching”** (Hodges *et al.*) to **didactically sound and sustainable virtual / blended formats**
