Advancing the Sustainable Development Goals (SDGs) trough Global Academic Collaboration

Exchange Scholarships
Empowering students to shape sustainable futures across our six partner universities.

Blended Mobility
Combining digital learning with in-person student mobility for maximum impact.

Institutional Exchange
Staff and leadership visits to strengthen partnerships and develop the international network.

Academy Sessions
Sharing knowledge and best practices across our international community through online workshops and seminars.

Teaching Mobility
Academic staff exchanges to co-create and implement teaching activities across the network.

COIL Projects
Connecting students and cultures virtually through "Collaborative Online International Learning".

Stay connected with us!
