Project activities

STUDIES PREPARATION

- Bridging courses in the areas of psychoanalysis, clinical psychology, research methods and social psychology
- Language courses in German as a foreign language at levels B2 & C1 with additional learning materials provided by the IPU for specialist psychology language training
- Workshops that prepare for the IPU internal B2 and/or C1 examination

STUDIES SUPPORT

- Language courses in German as a foreign language that prepare students for the B2 and/or C1 examination and additional work materials for psychology-specific language
- Peer tandem language learning
- Extracurricular specialist courses with certification, areas “Academic working and presenting”, “Culture-sensitive psychotherapy and consulting” and “Culture-sensitive organisation consulting”
- Study preparatory workshops with topics such as “Managing bureaucracy”, “Housing in Germany” and “Social and cultural opportunities Berlin”
- Workshops on the topics “Finding internships in Germany” and “Working and volunteering Berlin”
- Psycho-social counselling and coaching.

PREPARATION FOR THE LABOUR MARKET

- A Career Service advises and supports students in their integration into the labour market
- Development of an employer/internship database
- IPU Connect career portal
- Application training, workshops, funding of trips within German in small groups
- Networking meet-ups and further education with and for companies and organisations
- Events such as Career Day, evening events and meet & greets with potential employers
