Master-to-PhD Xcellence Track (M2P-X)

Technische Universität Darmstadt

The project **M2P-X** aims to attract outstanding international Master's students to pursue a PhD in the field of AI at TU Darmstadt and retain them in Germany in the long term. To achieve this goal, M2P-X implements an integrated approach that combines innovative recruitment strategies adopting international manners, special onboarding procedures, and ongoing measures on career development. Main activities are the yearly Campus Visit Week and the removal of bureaucratic barriers.

TARGET GROUP
Outstanding international Master's students from all over the world

FUNDING PERIOD
01.05.2026 – 31.12.2029
