

- Yaolin Xu
- yaolinxu.freedom@gmail.com / yaolin.xu@helmholtz-berlin.de
- Current position: Humboldt Research Fellow at Helmholtz-Zentrum Berlin (HZB)
- PhD (2018) in Li/Na-Ion Batteries, TU Delft, the Netherlands
- Research interest: Energy storage, Batteries, Energy materials, Interfaces/Interphases

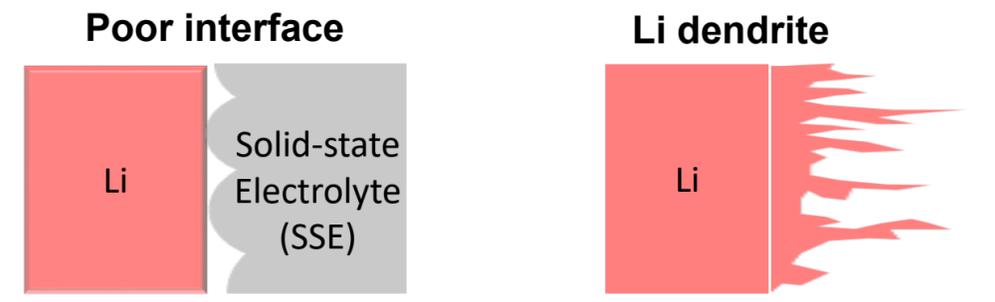

DAAD - PRIME project: Engineering the Li/Solid Electrolyte Interface for Stable Solid-State Li Metal Batteries

Host: **Humboldt-Universität zu Berlin** & **Massachusetts Institute of Technology**

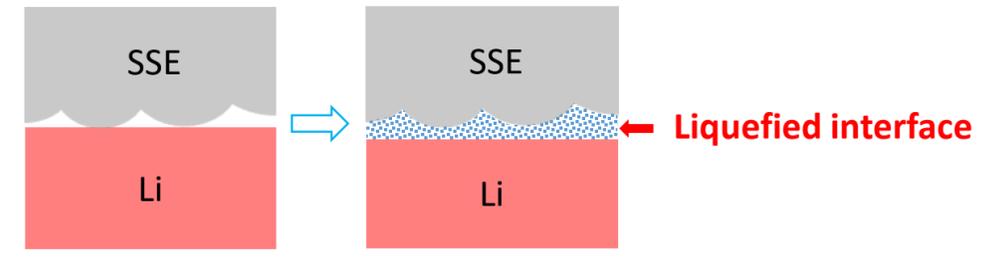

Batteries: current vs future

Major Challenges

Proposed solution

Working principle
