Ukraine digital

ENSURING ACADEMIC SUCCESS IN TIMES OF CRISIS

DAAD
Deutscher Akademischer Austauschdienst
German Academic Exchange Service

BASIC DATA ON THE PROGRAMME

- Funding period: **2022 to 2024**
- **Programme Objectives**
  - Implementation of virtual courses as part of degree programmes at Ukrainian universities to maintain the curricula
  - Involvement of (refugee) lecturers from Ukrainian universities
  - Competences of teachers at Ukrainian universities to develop further virtual courses/study programmes are built up

total: **163** projects

at **65** German Universities

Funding in total: **22,6** Mio. Euro

DATA ON OBJECTIVES AND IMPACT

- Number of Supported Ukrainian Universities
  - total: **89**
  - 2022: **65**
  - 2023: **63**
  - 2024: **74**

- over **2,200**[1] Virtual Courses funded

- total: **5,225**[2] Ukrainian Students/PHD Students, supported by online scholarships

- total: **1,577**[2] Ukrainian lecturers, supported with teaching assignments/fees

- Topics of the training courses for lecturers at Ukrainian universities to build up **expertise** for the development of further virtual courses/study programmes:
  - Tools and applications for digital teaching (e.g. collaboration tools, gamification and virtual reality applications)
  - Creation and needs-based adaptation of digital learning materials (e.g. use of open educational resources)
  - Didactics and methods for (a-)synchronous, competence-orientated online formats and digital examinations
  - Specialised didactic skills (e.g. use of virtual patients, integrated urban planning, language teaching in digital format)
1 Substantive reports and lists of courses offered
2 Funding statistics (2022 und 2023) and planning according to project applications (2024)

"The programme 'Ukraine digital' offers (…) an outstanding opportunity to maintain university teaching in Ukraine under the conditions of war and flight."

(Project manager, Friedrich Schiller University Jena)

"Thanks to this program, I was able to concentrate on what I was studying, and also more easily survive the hardships of war."

(Student, Kherson State Agrarian and Economic University)
