

# European University Networks (EUN)

## National Initiative

### Partner Institutions

## Vision of ENLIGHT

ENLIGHT aims to revolutionise European Higher Education, empowering learners as global citizens with cutting-edge knowledge and skills to address societal transitions. It focuses on critical challenges like Health & Well-being, Digitisation, Climate Change, Energy & Circular Economy, Equity, and Culture & Creativity. Through innovative research and education, it fosters a societal perspective, promoting sustainability and quality of life. ENLIGHT fosters a future-oriented education, merging knowledge and innovation to address global issues, while nurturing Euro-

pean values and global awareness. It envisions an integrated European University System, advocating free movement and resource sharing. ENLIGHT “Thinks Global, Acts Local.”

Network  
**ENLIGHT**

European university Network to promote equitable quality of Life, Sustainability and Global engagement through Higher education Transformation

European universities • European education area • Higher education • Blended learning • Inclusion • European alliance • Sharing knowledge • Sustainability

### ACCOMPANYING NATIONAL PROGRAMME

## Priorities and Project Activities

- **Digitalisation** of student mobility:
  - Conceptualisation and integration with the cross-institutional solution for recognition procedures in the EUN Network.
- Promotion of inclusive and **sustainable initiatives**:
  - Virtual workshop on Sustainable Event Management.
  - Module for sustainable route planning, Sustainable Travel Map.
  - Collection of Sustainable Best Practices and additional initiatives (e.g., **sustainable campus development**, climate adaptation measures, sustainable engagement, eco-friendly user behavior).
- Designing **innovative, future-oriented education**:
  - Development of micro-credential programs.
  - Quality framework for virtual/hybrid teaching activities.
  - Development of a self-study course “Virtual Exchange” for educators and similar initiatives.
- Integration of **international learning**:
  - Support, development, and implementation of innovative, virtual, or partially virtual short-term programmes.
