Vision of EUPeace

Our mission is to provide tomorrow's citizens with the skills, knowledge, and experience to cultivate Peace, Justice, and Inclusive Societies. We explicitly address all sciences and fields, from the humanities and social sciences to the natural and life sciences as well as engineering, and are inspired by the rebuilt bridge of Mostar – the symbol in our logo – as a testament to how dialogue can overcome conflict.

EUPeace is comprised of 9 institutions coming together, embracing and fostering our unique geographic distribution and the implications these geographic roots bring to EUPeace:

our institutions are located in regions with a lot of internal diversity and sometimes a still recent history of conflict.

We are Marburg University (Germany), Justus Liebig University Giessen (Germany), University of Limoges (France), University of Calabria (Italy), Comillas Pontifical University (Spain), University of West Bohemia (Czechia), University of Mostar (Bosnia and Herzegovina), Çukurova University (Türkiye), University of Sarajevo (Bosnia and Herzegovina) as well as our associated partners in Europe and beyond.
