**BMZ-Scientific Literature Programme**

**What is the aim?**
Support former scholarship holders as well as former German studies scholarship holders advance their academic and linguistic knowledge.

**Who can apply?**
- Former DAAD scholarship holders (who received support for a period of at least 10 months) from developing countries as well as
- Former DAAD German studies scholarship holders (who received support for a period of at least 5 months) from developing countries and who returned from Germany to their home country. Not eligible to apply are former scholarship holders from all members of the European Union.

**Who can apply for?**
Scientific books. Scientific literature can ONLY be delivered to your home country.

**What should the application include?**
Your PKZ (Personal Identification Number)

**Type and Extent of Support**
1) Scientific literature up to a maximum value of € 200 can be applied for **once a year**.
2) Grants for scientific books can only be approved if produced by German-language publishers.

**Procedure**
**Online-orders:** The password-protected Service Area for Alumni on the DAAD website ([https://alumni.daad.de/profil/login](https://alumni.daad.de/profil/login)) enables you to submit direct orders online to the DAAD. However, to be able to do this you need your DAAD personal identification number (PKZ - Persönliche Kennziffer). You benefit by having a user-friendly overview of all available literature, including their price. If you access this page for the first time and require a User-ID and password simply complete the initial registration.
In case of queries about the log-in please contact per e-mail: alumni(at)daad.de.
The applications will be examined as to what extent it helps advance the academic and linguistic knowledge of the former scholarship holders. The respective field of studies for which a DAAD scholarship was granted is taken as a basis.

**Application Deadline**
Applications can be placed **once a year only** (from January 1st until October 31st). Please note that longer delivery times must be expected.
